SPRING/PRIMAVERA 2024

Mandatory Commercial Organics Recycling

California Senate Bill 1383 (SB 1383) is a short-lived climate pollutant reduction strategy that went into effect January 1, 2022. The goal of this law is to reduce California's landfilled organic waste by 75% by 2025. SB 1383 requires all businesses, schools and multi-family complexes to subscribe to an organics collection service and to separate all of their landscape trimmings, food scraps and food-soiled paper (100% fiber-based) into their green organics cart or dumpster.

To arrange for recycling service, please contact the 24-hour LA Sanitation (LASAN) Customer Care Center immediately at **800.773.2489** and request a free waste assessment. Republic Services will conduct a complimentary waste assessment of your property and work with you to determine your optimal level of services for the lowest possible cost. The waste assessment entails a thorough walk-through of your property to determine current levels of service, identify opportunities to increase recycling, establish organics collection and right-size your service, ensuring that you have the appropriately sized carts and dumpsters and necessary frequency of service.

If you do not yet have organics collection service, you must start that service now. If you received a letter from LASAN and have not called to request your waste assessment, Republic Services, your recyclLA service provider, will contact you about setting up new organics service.

Visit **OrganicsLA.org** for more information.

Reciclaje Orgánico Comercial Obligatorio

LA La Ley del Senado 1383 (SB 1383) de California es una estrategia de reducción de los contaminantes climáticos de vida corta que entró en vigor el 1° de enero del 2022. La meta de esta ley es reducir los desechos orgánicos depositados en vertederos de California en un 75% para el 2025. SB 1383 requiere que todos los negocios, escuelas y complejos multifamiliares se suscriban a un servicio de recolección de orgánicos y que separen todos sus recortes de jardín, restos de comida y papel sucio de comida (100% a base de fibra) en su carrito o contenedor de orgánicos verdes.

Para solicitar servicio de reciclaje, comuníquese inmediatamente con el Centro de Atención al Cliente de LA Sanitation (LASAN), disponible las 24 horas al día, al **800.773.2489** y solicite una evaluación gratuita de los desechos. Republic Services realizará una evaluación gratuita

de los desechos de su propiedad y trabajará con usted para determinar el nivel óptimo de servicios al menor costo posible. La evaluación de residuos es un recorrido exhaustivo por su propiedad para determinar los niveles actuales de servicio, identificar oportunidades para aumentar el reciclaje, establecer la recolección de materiales orgánicos y dimensionar correctamente su servicio, asegurándose de que cuenta con los carros y contenedores del tamaño adecuado y la frecuencia de servicio.

Si aún no dispone del servicio de recolección de orgánicos, debe iniciar ese servicio ahora. Si recibió una carta de LASAN y no ha llamado para solicitar su evaluación de residuos, Republic Services, su proveedor de servicios de recyclLA, se comunicará con usted para establecer un nuevo servicio de orgánicos.

Visite **OrganicsLA.org** para más información.

Important Notice

As of January 2024, commercial and multi-family properties that do not have an organics recycling service will be subject to penalties in accordance with Section 66.07. (ENFORCEMENT) of the Los Angeles Municipal Code.

Depending on the quantity or composition of your waste or your site conditions, you may be eligible for a waiver from the requirement of mandatory organics collection. If you believe your business or property may be eligible for a waiver, please visit **recyclLA.com** or call the LASAN Customer Care Center at **800.773.2489**. If your business or property is eligible, you will be required to complete and submit an SB 1383 Waiver Request Form. The City will evaluate your request and notify you of your waiver determination.

Aviso importante

A partir de enero del 2024, las propiedades comerciales y multifamiliares que no dispongan de un servicio de reciclaje de orgánicos estarán sujetas a sanciones de acuerdo con la Sección 66.07. (CUMPLIMIENTO) del Código Municipal de Los Ángeles.

Dependiendo de la cantidad o composición de sus residuos o de las condiciones de su sitio, puede ser elegible para una exención del requisito de la recolección obligatoria de productos orgánicos. Si cree que su negocio o propiedad puede calificar para una exención, visite **recyclLA.com** o llame a nuestro Centro de Atención al Cliente al **800.773.2489**. Si su negocio o propiedad es elegible, se le requerirá que complete y envíe un formulario de solicitud de exención SB 1383. La Ciudad evaluará su petición y le notificará sobre la determinación de su exención.

Commercial Edible Food Generators

Tier 1

Supermarkets

A full-line, self-service retail store with gross annual sales of \$2 million or more, and which sells a line of dry grocery, canned goods, or nonfood items and some perishable items.

Grocery Stores

Grocery store with a total facility size equal to or greater than 10,000 square feet.

Food Service Providers

An entity primarily engaged in providing food services to institutional, governmental, commercial, or industrial locations of others based on contractual arrangements with these types of organizations.

Food Distributors

A company that distributes food to entities including, but not limited to, supermarkets and grocery stores.

Wholesale Food Vendors

Edible Food Recovery

Large food-generating businesses are required to recover the maximum amount of their surplus edible food that would otherwise go to landfills. As of January 2024, both Tier 1 and Tier 2 businesses are required to have donation programs in place. To learn more about safe and responsible food donation, visit PublicHealth.LACounty.gov/eh/LACFRI. For more information, call the LASAN Customer Care Center at **800.773.2489** to be put in touch with a Zero Waste Specialist.

Recuperación de comida comestible

Los grandes negocios que generan comida están obligados a recuperar la cantidad máxima de sus excedentes de alimentos comestibles que, de otro modo, irían a parar a los rellenos sanitarios. A partir de 1º de enero del 2024, tanto los negocios del Nivel 1 como los del Nivel 2 tienen la obligación de contar con programas de donación. Para aprender más sobre la donación de comida segura y responsable, visite PublicHealth.LACounty.gov/eh/LACFRI. Para más información, llame al Centro de Atención al Cliente de LASAN al **800.773.2489** para que le comuniquen con un Especialista en Cero Desechos.

Holiday Collection Schedule

If your scheduled collection falls on one of these holidays, collection will take place on the following service day: New Year's Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. You may request collection the day before the holiday at no extra charge by calling **800.773.2489**.

Calendario de recolección durante los días festivos

Durante los días festivos, si su recolección programada cae en uno de estos días festivos, la recolección ocurriría el siguiente día de servicio: Año Nuevo, Día de la Independencia, Día Laboral, Día de Acción de Gracias y Navidad. Puede solicitar la recolección el día anterior al día festivo sin cargo adicional si llama al **800.773.2489**.
