

# City of Rosemead Bulk Item Guidelines

The City of Rosemead has a great program with Republic Services® to collect bulk items. Your help following the below guidelines ensures the City continues to look beautiful while the bulk items are collected.

## ✓ Accepted Bulk Items

### Common Household Goods

Oversized items too large to fit into a standard container

### Home Appliances

Major home appliances typically found in kitchen and laundry rooms\*

\*Items must be tagged refrigerant free, when applicable

### Electronics

Oversized electronic devices

### Brush

Plant and bundled-based waste generated in residential settings

## ⊗ Unacceptable Bulk Items

### We do not accept:

Oversized, hazardous or other items outside the program guidelines such as chemicals, construction & demolition waste, car parts or regular bagged trash for normal collection.

Items placed outside the program guidelines subject to Municipal Code 8.32.060 - Dumping rubbish in public or private places. Except as otherwise provided in this Chapter, it is unlawful for any person to dump, discard, abandon or otherwise deposit any Municipal Solid Waste in or upon any public or private property within the City, including any vacant lot or in, on or upon any public street, alley, parkway, park or other public place or in or upon any floodwater channel, any channel or structure tributary to any floodwater channel, any easement or right-of-way for floodwater channel purposes, or in or upon any place in the city where the natural flow of stormwater might carry the same to any such floodwater channel or structure. (Ord. No. 930, § 2, 5-14-13)
