

Thank you for your participation in the Food Recycling Project!

As one of our 500+ participating restaurants and businesses in Central Contra Costa, you have helped to divert **23,847 tons** of food waste from landfilling to generate clean, renewable energy.

A FEW REMINDERS:

- **No black bags**
Food waste must be in clear or compostable bags, or loose.
- **Food and food-soiled paper only**
No plastic packaging, metal, or glass.
- **Contaminated carts cannot be serviced**
If contaminated, your business will need to remove the unacceptable materials, or accept a charge to have us service the container as trash.

Need more posters, container stickers, or training? Our recycling coordinator can provide all of those at no additional cost. Call (925) 671-5860 or email recyclecoordinators@RepublicServices.com
