

RESOLUTION NO. 11,704

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
NEWARK AUTHORIZING A 4.9% INCREASE TO THE
MAXIMUM LIMIT FOR RATES FOR SOLID WASTE
COLLECTION, RECYCLING, AND ORGANICS
SERVICES FOR CALENDAR YEAR 2025

WHEREAS, the Amended and Restated Franchise Agreement (Franchise Agreement) between the City of Newark and Allied Waste Services of North America (Republic Services) for the collection of solid waste, recycling, and organics services dated June 1, 2023, provides for an annual rate adjustment effective January 1 of each year; and

WHEREAS, the Franchise Agreement with Republic Services includes an annual index-based adjustment that involves applying prescribed formulas to calculate rate adjustments due to changes in specific indices including the Consumer Price Index for garbage and trash collection, a compressed natural gas service index, and the disposal costs at the Fremont Transfer Station; and

WHEREAS, City staff, using the index-based adjustment methodology identified above, determined that the index-based rate increase for calendar year 2025 is 4.9%.

NOW, THEREFORE BE IT RESOLVED by the City Council of the City of Newark that, in accordance with the Franchise Agreement between the City of Newark and Republic Services for solid waste collection, recycling, and organics services, and pursuant to the Newark Municipal Code, fees and rates for solid waste collection, recycling and organics services shall not exceed that established in New Exhibit L attached hereto and incorporated herein by reference, which is made a part hereof as though set forth at length.

BE IT FURTHER RESOLVED that any portion of Resolution No. 11,586 setting maximum for fees and rates for solid waste collection, recycling, and organics services is hereby rescinded and that if any provisions contained herein are found to be in conflict with provisions of Resolution No. 11,586 or any other previous resolution, the provisions herein shall prevail.

I HEREBY CERTIFY the foregoing resolution was introduced at a regular meeting of the City Council of the City of Newark held on November 14, 2024, by Council Member Apodaca who moved its adoption and passage, which motion was carried after being duly seconded, and passed by the following vote:
