

# Republic Services San José Fall 2024 Update

## Fall Leaves Belong in the Wet Container

Fall and Winter seasons can bring big changes to our waste stream. As the weather cools and leaves begin to fall, it is important to know how to dispose of the landscaping waste we may see. Leaves, branches, and other landscaping materials such as lawn clippings are considered organic waste and belong in the Wet container. An increase in seasonal organic waste may mean you need to add Wet service or increase the size of your existing Wet container. Not sure how much service you need? Call **408-432-1234** or email [sanjoserecyclingteam@republicservices.com](mailto:sanjoserectyclingteam@republicservices.com) to speak with a Sustainability Advisor.

# Republic Services San José Fall 2024 Update

## Upcoming Holiday Collection Schedule Changes

The holiday season is quickly approaching! There will be no waste collection on Thanksgiving Day, Christmas Day and New Year's Day. Service will run one day behind for November 28, 2024 and November 29, 2024. Service will also run one day behind for the weeks of December 25, 2024 and January 1, 2025. Wednesday accounts will be serviced on Thursday, Thursday accounts on Friday, and so forth for the remainder of the week. For more information and to view your holiday collection schedule, visit [www.republicservices.com/municipality/san-jose-ca](https://www.republicservices.com/municipality/san-jose-ca).
