SERVICES

Sustainability in Action

Republic Services is a leader in environmental services. Through the acquisition of US Ecology, ACV Enviro and ECOFLO, we can now offer comprehensive Environmental Solutions to retailers nationwide.

Our team of dedicated environmental professionals build customized programs for retail chains focused on safely managing retail hazardous waste. These chains range from supermarkets and drugstores to gas stations, home improvement stores and more. Achieve compliance, eliminate fines, minimize costs and limit store interruptions with our nationwide solutions that protect the environment and your reputation.

## Retail Solutions

- Pharmaceutical and RCRA-, DOT- and state-regulated waste streams
- Scheduled routine services and on-demand, on-call services
- Segregated waste program and compliance kits
- Petroleum station monitoring, disposal and transportation, tank cleaning, pump-out and emergency response

## Value of Our Retail Solutions

- Innovative technology and partnerships (SmarterX Sorting)
- Compliance for all stakeholders
- Audited invoicing process, transparent pricing
- Dedicated account teams
- Reduced risk and brand protection
- Improved sustainability and ESG performance

### SmarterX Partnership

Republic Services' exclusive partnership with SmarterX provides retailers a fast and accurate solution to safely and compliantly classify and segregate RCRA, hazardous and non-hazardous waste.

### VAWD-Accredited

Republic Services is accredited by VAWD, which is recognized by every state board of pharmacy to safely manage your pharmaceutical waste.

### RCRA-Permitted, DEA-Registered

We have the unique ability to handle non-hazardous, hazardous and U.S. Drug Enforcement Agency (DEA) Schedule II-IV Controlled Substance pharmaceutical waste streams. Our Detroit facility is one of the few RCRA-permitted, DEA-registered reverse distribution pharmaceutical waste handlers in the industry.
