Take Another Look at Plastics

Can you poke your finger through it, or does it lose its shape? Is it smaller than a credit card? Then it can't be recycled. Help us to prevent ineligible items from getting tangled in our sorting machines.

Plastic film: Items like cling wrap, plastic bread bags or salad bags aren't recyclable.
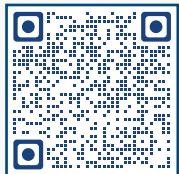

Plastic bags: Please don't place plastic bags in your recycle cart. Check with your local grocery store for plastic bag recycling receptacles.

No loose lids: Make sure all lids are on your recyclables. They can jam the sorting machine if they are loose.

Shipping packaging: Items like bubble wrap and plastic padded mailers aren't recyclable in your blue dumpster.
