

## Trash, Recycling, Yard Waste & Bulk Waste Guidelines

**Refuse/Trash** shall be placed in the trash cart provided and should not exceed 50 pounds in weight.

**Recyclable materials** shall be placed in the recycle cart provided and used only for recyclable materials.

**Note:** Residents receive weekly bulk and yard waste pickup on your scheduled bulk/yard waste service day. There is no need to schedule a bulky pickup.

**Yard Waste** - All loose yard waste must be containerized; Trees and shrubbery shall be of such size that can be readily loaded by one person. Stumps, trees limbs and other such objects shall be cut in lengths of no greater than four (4) feet if the diameter of the item is less than six (6) inches, and shall be cut in lengths of no greater than two (2) feet if the diameter of the item is greater than six (6) inches.

If pile is too large to for pick-up by a standard Yard Waste truck, the truck will pass and the address will be noted for pick-up by a Claw Truck. The standard time-frame for Claw Truck pick-up is 1 to 3 days. Piles left on empty lots that have no service will NOT be picked up. Tree-trimming or cut-down debris left by professional lawn-care service is not picked up by Republic Services. It is the responsibility of the hired service.

**Bulk Items** - such as furniture, appliances, and toys shall be separated from all other household refuse and recyclable materials. It shall be placed at the curbside, and three (3) feet away from the refuse/trash and recycle carts.

### Fencing/Pressure-Treated Wood is a Hazardous Material

All wood fencing which includes pickets, posts, and panels are considered pressure-treated wood and will **not** be picked up by Republic Services. This material must be taken to a landfill by the resident. This is not a bulk item. Pressure-treated wood is considered a hazardous material to be disposed of by the resident at either Sarno or Cocoa landfill.
