

# Extra Recycling?

We'll Take It For Free!

With the expanded list of items that you can now recycle, you may find your cart overflowing. If you don't have the largest size recycling cart (96 gallon), you may request a larger size by calling customer service or visiting our website. You may also set your recyclables out in **paper bags, cardboard boxes, or 32 gallon lidded cans** at no additional cost. All additional bags, boxes, and cans must be labeled "RECYCLE" and weigh no more than 60 lbs.
